Dear Friends in the Community

I want to express our deepest appreciation for your kindness and thoughtfulness in sponsoring our Banquet on May 3rd that honored public servants in Law Enforcement. Your support and encouragement means a great deal to us, and the community we serve. It testifies to your commitment to our community, and those who give of themselves every day.

Because of your leadership and others like you, we were able to exceed our goal of raising over \$65,000 for programs that involve citizens in helping to prevent and solve crimes. This important support and your sponsorship of \$500 goes a long way to help offset the 43% cut in state funding we experienced in 2006.

Thank you for making this event a success, and helping to keep our community one of the best places to live. I hope you and your family enjoyed the evening!

Sincerely,

Emory Counts
President
